Dear Monsignor REDACTED

I regretfully inform you that Father Willebaldo Castro has received a letter from his Bishop, Most Rev. Felipe de Jesús Cueto, O.F.M., bishop of Tlalnepantla, Edo. de Mexico, Mexico, which says the following: "Ha sido una dolorosísima sorpresa la carta que me escribieron de la Sda. Congregacion para la Fe. Al escribir rogé de la mejor manera que pude para que obraran con caridad en cuanto pudieran y dije que te había privado de la parroquia, pero no dio resultado."

I have quoted the above in Spanish, so as not to change in any way the meaning in the translation. The part of the letter from the Sacred Congregation of the Faith that pertains here says: "Willebaldu Castre, e Diocesim Tlalnepantla, suspensus maneant a divinis.

In view of this, Father Castro is no longer saying Mass or taking part in any religious activities here, and is planning to leave tomorrow. During his stay here, however, his conduct has been without the least fault, and I therefore hope and pray that if he is the victim of a mistake, it be rectified in time.

Sincerely yours,

Eminenza Reverendissima:

Questo Rescritto del 2 Genn. 1970 veniva consegnato al P. Willibaldo il 25 Aprile 1970. È stato per lui un colpo durissimo e lo ha accettato con resignatione.

Con gioia ho letto la lettera di Vostra Eminenza e mi fa piacere sapere che S.E. Msgr Arzube REDACTED ausiliare di Los Angeles intercede per una reintegrazione il P. Willibaldo colpito duramente benchè giustamente ha avuto tempo di meditare seriamente per prendere una decisione verso il Signore. Io non lo visto più nepure ho saputo dove si trovava dal 1970. Ben considerato tutto questo affare credo opportuna una reintegrazione ad experimentum. È un uomo molto capace e sodo nella sua dottrina cattolica. Certamente farà molto bene alle anime.

Consiglierei che rimanga nella Archidiocesi di Los Angeles. Qui nella mia Diocesi non credo si possa sentire tranquillo. Io raccomando la petizione di Msgr. Arzube.

Mi raccomando alle sue buone preghiere e mi confermo

Your Eminence:

With this I am replying to your very esteemed letter of January 29, 1972 (Prot. Num. 411/69), regarding the case of Fr. Willibaldo Castro, already reduced to the lay state, with total dispensation from priestly obligations.

This rescript of January 2, 1970, was given to Fr. W. Castro on the 25th of April of 1970 and it was for him a very hard shock, and at the time he accepted it with resignation. With pleasure I have read the letter of Your Eminence and I am happy to know that His Excellency Arzube, Auxiliary Bishop of Los Angeles, is interceding for a reinstatement of Fr. Castro.

Fr. Castro was badly struck by all this, although justly he has had time to meditate seriously and to make a decision that can lead him towards the Lord. I have not seen him nor heard from him since 1970. Considering all this, I think that a reinstatement "as an experiment" may be opportune. He seems to be a very capable man and very solid in his Catholic doctrine, and most likely will do a great deal of good for souls.

I would suggest that he remain in the Archdiocese of Los Angeles. I do not think he would feel very tranquil in our Diocese and, therefore, I recommend the petition of Bishop Arzube.

Asking for your good prayers, I am

Very devotedly yours in Christ,

Thanks for your kind note and inquiry regarding

Fr. Castro is very well known to me and I want to recom-
mend him once more to the kindness of Your Excellency. Three years ago
I asked the Sacred Congregation (Penit) for faculties to absolve
him. I got the faculties not only to absolve him but also to continue
"in officio parochi, remoto scandalo".

Fr. Castro has been most co-operative in every respect
and I really admire his constancy in struggling to remain in the

A million thanks for your interest in helping this

Rev. REDACTED
MEMORANDUM

TO: ARCHBISHOP TIMOTHY MANNING
FROM: BISHOP JUAN ARZUBE
RE: FATHER WILLEBALDO CASTRO
DATE: APRIL 24, 1972

I would like to have Father Willebaldo Castro work as a priest in this Archdiocese, but he has been reduced to the lay state and a letter from you to His Eminence, Francis Cardinal Seper of the Sacred Congregation for the Faith is one of the prerequisites.

His case is as follows. He first worked in this Archdiocese at San Antonio de Padua, from February 1956 to July of the same year, while Monsignor REDACTED was pastor. There are no letters of complaint from anyone in his file for this period of time. He had come primarily to learn English, and left at the request of his Bishop, Felipe De Jesus Cueto, Bishop of Tlalnepantla, Mexico.

The next time he came to this country was in 1969. I was in need of an assistant at Our Lady of Guadalupe in El Monte, and so Father REDACTED at whose rectory he was staying, recommended him to me. He was officially assigned as an assistant to the mission in El Monte on March 4, 1969. During his stay there everyone was very happy with him. I myself was delighted to have such a priest work with me because he had sincere zeal for the people, personal piety and sound theological thinking. I could not understand how a priest of that caliber was working here when he could have been such an asset in Mexico.

The sad explanation came to me as a shock, when one day he came to my office and showed me a letter he had received from his Bishop. It seems that while he was working in his Mexican parish, he was accused of a morals charge at the Chancery Office when the Bishop was out of town. The REDACTED took the statements of the complaining party under oath and proceeded to send them to the Vatican. When his Bishop returned he called him in and suggested that they let the matter run its course, since it had already been sent to Rome, and that he come to the United States to work for a while and that he would probably be given some penance to perform. That is when he came to work at El Monte.

I wish the letter he received from his Bishop in which he is told by the Sacred Congregation for the Faith that Father Castro was to be induced to request a return to the lay state. In commenting on this, the Bishop says; (in Spanish, but I am making a faithful translation of it) "The letter that I have just received from the Sacred Congregation for the Faith has brought me a most painful surprise. When I wrote them I begged in the best way that I knew how, that
they try to be charitable in your case, and I told them I had taken away your parish from you, but this apparently has not had any effect." (Document #1)

When Father Castro arrived here in 1969, he placed himself under the spiritual guidance of Father REDACTED at San Conrado. Father REDACTED wrote to the Sacred Penitentiary for faculties to absolve him. He not only received these faculties, but was told Father Castro could continue "In officio parochi, remota scandalo." I am enclosing a letter from Father REDACTED stating this. (Document #2)

Father Castro has always acted with heroic patience and prudence because even after receiving this letter from the Sacred Penitentiary, he still felt he should await the decision in the External Forum from the Sacred Congregation for the Faith. When his Bishop communicated to him their decision was when he came to see me to say he had no recourse but to obey, and request a return to the lay state. He mentioned to me, however, that his only ideal in life was to work as a priest, that he was accepting this as a trial from God and that he was leaving everything in His hands. (Document #3 presents the official reply from the Sacred Congregation for the Faith on his request for returning to the lay state, which he did not wish to present, but did so in a spirit of obedience). He returned to Mexico and worked in his brothers' business. I keep in touch with him and he always manifests his desire to return to his work in the priesthood.

When I was appointed Bishop I decided to write to the Sacred Congregation for the Faith to ask if anything could be done to reinstate him and that I would try to intercede for his admission into the Archdiocese of Los Angeles. I talked this over at the time with Monsignor Rawden. I eventually received a letter from Cardinal Seper (Document #4) which essentially says that for such a rehabilitation to be considered by them I must first obtain a letter from his former Ordinary saying that he has no objection to this, and one from the Archbishop of Los Angeles saying he is disposed to receive him into the diocesan clergy. They also recommend that he spend some time in a retreat house.

Document #5 is the letter which Bishop Cueto sent to Cardinal Seper in Italian, a translation of it is enclosed. Basically he recommends a reinstatement "Ad Experimentum". He speaks well of Father Castro and suggests it would be better for him to remain in the Archdiocese of Los Angeles.

Father Castro is presently staying with a family that was recommended to him by Father REDACTED. He dresses with a black suit and tie and is accepted there as a priest with leave of absence from Mexico. There has been no scandal involved there or in El Monte. When he left El Monte, I told everyone he had been recalled by his Bishop.

In view of this I would very much like to recommend that you write a letter to Cardinal Seper, stating your willingness to receive him here "Ad Experimentum" for whatever period of time you would see fit to designate.

PS I would have to explain the present change personally.

With this I am replying to your very esteemed letter of January 29, 1972 (Prot. Num. 411/69), regarding the case of Fr. Willibaldo Castro, already reduced to the lay state, with total dispensation from priestly obligations.

This rescript of January 2, 1970, was given to Fr. W. Castro on the 25th of April of 1970 and it was for him a very hard shock, and at the time he accepted it with resignation. With pleasure I have read the letter of Your Eminence and I am happy to know that His Excellency Arzube, Auxiliary Bishop of Los Angeles, is interceding for a reinstatement of Fr. Castro.

Fr. Castro was badly struck by all this, although justly he has had time to meditate seriously and to make a decision that can lead him towards the Lord. I have not seen him nor heard from him since 1970. Considering all this, I think that a reinstatement "as an experiment" may be opportune. He seems to be a very capable man and very solid in his Catholic doctrine, and most likely will do a great deal of good for souls.

I would suggest that he remain in the Archdiocese of Los Angeles. I do not think he would feel very tranquil in our Diocese and, therefore, I recommend the petition of Bishop Arzube.

Asking for your good prayers, I am

Very devotedly yours in Christ,

S/ Fr. Felipe de Jesus Cueto O.F.M.

ARCHBISHOP

I would recommend that you write a letter to the Sacred Congregation of the Faith that Father Castro be permitted "ad experimentum" to exercise his ministry in Los Angeles but that you would not consider him for incardination for a minimum of five years, reserving the right to extend that period or refuse incardination.

Monsignor Rawden

Will you so prepare the letter. Thanks.

Your Eminence:

Living within this ecclesiastical jurisdiction is

FATHER WILLIBALDO CASTRO,

whose proper Ordinary is Most Reverend Felipe de Jesus Cueto, O.F.M.,
Bishop of Tlalnepantla, Mexico, and who has been reduced to the lay state (Prot. N. 411/69 rescript enclosed.)

May we respectfully request that Your Eminence grant permission for Father Castro to be returned to the active priesthood "ad experimentum" and for him to exercise his ministry in this jurisdiction.

We would, however, not be willing to consider Father Castro for incardination in this Archdiocese before he has completed five years of active service here. We would then reserve the right to extend beyond five years or to refuse incardination. We are most willing to abide by your decision in this matter.

Enclosed please find correspondence from interested parties, including His Excellency, Most Reverend Juan Arzube, Auxiliary Bishop of Los Angeles.

Very respectfully yours,

Your Eminence:

Please excuse my delay in answering your letter of May 24th, 1972, but it has taken this long to arrange for and contact the psychological examinations and tests that you required in connection with the case of Willebaldo Castro.

I am enclosing a report written by Dr. REDACTED, PH.D., ACSW., which summarizes the findings and recommendations of the psychiatrist and psychologists there mentioned. Dr. REDACTED is well known in Rome at the Sacred Congregation of Religious, especially to Father REDACTED.

In talking with Dr. REDACTED personally, she mentioned it would be inadvisable at this time for Willebaldo Castro to enter into any kind of monastic environment, such as a retreat, for a long period of time, but rather that he could be allowed to participate in parish work as a priest, provided he received periodic psychotherapeutic counseling for a period of two to three years.

I feel that there are many priests with this or similar problems who are presently functioning as such, and present greater probabilities of making moral mistakes than the case we are here considering, because Willebaldo Castro will be sustained not only by the counseling he will be receiving, which the others do not have, but also by a remembrance of the unpleasant purgatory he has lived during the last three years.
In the past three years he has been living in Mexico City, working for his brothers' business dealing with automotive repairs. He was engaged in their office department rather than in the mechanic section of the business. In January of this year he came to Los Angeles, and has been staying with a family recommended by Father REDACTED, Pastor of Our Lady of Guadalupe Church, 4509 Mercury Avenue, Los Angeles, California 90032. He is in daily contact with Father REDACTED and helps part time at the rectory with paper work. Father REDACTED speaks very highly of him, and I am sure he would be happy to write a letter of recommendation as you so desire.

In view of all the aforesaid, I repeat my request that Father Castro be permitted to work in a parish as a priest, while undergoing psychotherapeutic counseling and receiving competent spiritual direction.

Very respectfully yours,

+Juan Arzube
Auxiliary Bishop of Los Angeles

Translation of letter received from Cardinal Seper

Your Excellency's letter of May 1 has been received in which you state your willingness to benevolently receive into the clergy of your Archdiocese Rev. Willibaldo Castro and that ad experimentum without incardination, at least before he has gone through a five year experiment looking toward his happy integration and rehabilitation. At the same time, we have received a favorable recommendation from the Ordinary of Tlalnepantl, a positive expert judgment from a Psychologist, and a renewed commendation from Auxiliary Bishop J. Arzube.

It is my duty to communicate to you the decision of this Holy Congregation, having seen and reviewed the recommendations from the Ordinaries and the medical expert. The Supreme Pontiff grants the petition of the Petitioner and accordingly decrees: "That Rev. Willibaldo Castro, from the Diocese of Tlalnepantl and now living in the Los Angeles Archdiocese, already dispensed from all Priestly duties, is readmitted to the priestly state and can once again offer Mass, without however the faculty of hearing the sacramental Confessions of the faithful, and that for one year, and under the observation of the Ordinary of the Los Angeles Archdiocese, who is to make available to him opportune psychotherapeutic care from a licensed Psychologist, so that after this period is ended, a report on the way of life of this priest be rendered to this Sacred Congregation.

When the above decision is communicated, Your Excellency should warn and exhort the Petitioner to live a truly priestly life granted him by the good will of the Holy See.

PERSONAL & CONFIDENTIAL

Dear Juan:

I hope that all goes well and that you are enjoying your stay away from the Chancery Office.

I regret that I must be the bearer of sad news. Father Willebaldo has been accused by a young boy in your parish, REDACTED REDACTED. Apparently there must be some truth in it inasmuch as a priest has questioned this boy on several different occasions and his story remains unshakeable.

His Eminence asked that I speak with Father. I thought you had best know this sad news in advance.

With kindest personal regards, I remain

Sincerely yours in Christ,

Reverend Monsignor John A. Rawden  
Chancellor
RE: REV. WILLEBARDO CASTRO , Associate, St Alphonsus

REDACTED 16yrs, reported to his mother and father and Father REDACTED (Assoc - St Alph) that Fr. Castro, having been called by Mrs REDACTED, to counsel her son, took REDACTED into the father's bedroom and placed his hands beneath the underclothing of the young man.

After repeated interviews with Father REDACTED - the young man's story remains the same.

On 5 Sept 75, the undersigned interviewed Father Castro at the Chancery. Father C. did not deny knowing the boy or being alone with him in the boy's bedroom. He recalled that the boy was not wearing a "T" shirt or any other covering above the waist. Father C. feels that the boy misunderstood his paternal manner.

I feel that we should now await further information from Father REDACTED as to the disposition of REDACTED. I asked Father C. NOT to visit the boy or the family and, for the time being, to make no explanation to anyone of this incident. Father C. is leaving for a month vacation next Monday, 8 Sept 75.

I would recommend that if there is no further activity on the part of the boy or his family, that Father C. be quietly transferred to another parish. In case another incident, or further activity on this incident, should arise that Father C. be asked to leave the Archdiocese and that the Sacred Congregation be advised accordingly.

I doubt that on the basis of this incident, as it stands now, that we should make an official report to the Sacred Congregation. I feel in conscience that there is a reasonable doubt as to the reality of the incident - at least to the degree reported by REDACTED.

Your Eminence:

An incident of alleged child molestation has been lodged against Father WILIBARDO CASTRO (Santa Maria). This is the priest who is under "ad experimentum" from the Sacred Congregation of the Doctrine of the Faith. Bishop Arzube is aware of this and a previous incident at St Alphonsus.

The police came to the rectory at Our Lady of the Assumption, Santa Maria and gave Father Castro permission to make a statement to an attorney. Father REDACTED called and asked if it was O.K. to use a local attorney - a Catholic known to Father REDACTED. I feel that is O.K. No arrest was made - apparently a complaint has been filed - but to date no warrant has been issued.

Your Eminence:

This date I received a telephone call from Father REDACTED, Pastor of St Mary, Santa Maria to wit:

1. A lie detector test was given to Father Castro and to the alleged victim - it proved that the boy was lying;
2. Father Castro was exonerated by the police and the family of the boy;
3. The mother of the boy is very saddened that Father Castro was humiliated and apologized;
4. The boy apologized to Father Castro in the presence of Father REDACTED;
5. Father REDACTED is most anxious to keep Father Castro - he claims he is an excellent priest and does tremendous good in the parish;
6. Father REDACTED says that there is no public knowledge of this incident and the family of the boy have promised not to reveal this to anyone.

In light of the above I would recommend that we do nothing about this incident.

Prot. N. 411/69
Rev. Willibaldo CASTRO
14 November 1978

Your Eminence:

In the above rescript, you granted Father CASTRO a three year probationary period in the active ministry of the priesthood to function here in Los Angeles.

We reported to Your Eminence on 3 November 1975 of one incident involving Father Castro. Your Eminence graciously advised us to gravely counsel Father Castro on 19 November 1975, which we did. Since that date Father Castro has conducted himself in a most admirable way. He works at his priesthood in almost dedicated and zealous manner. He has the admiration and respect of his brother priests and the laity.

Unfortunately, Your Eminence, another incident occurred on 30 July 1980, in the restroom of a large department store. The person approached by Father Castro is a male security guard, employed by the department store. The security guard immediately arrested Father Castro, and turned him over to the local police.

Father Castro was scheduled to appear in criminal court on August 15, 1980, for a hearing. He is represented by a good Catholic lawyer. The local police sergeant, a very good Catholic, is sympathetic to Father Castro, and wishes to have the charges dropped. The conditions for dismissing the charges are that his Ecclesiastical Superiors arrange for some psychological help and that he be transferred from that immediate vicinity.
Father Castro, in an interview with our Chancellor, does not deny the charges. He feels that he should return to his diocese of incardination, Tlalnepantla, Mexico, and continue his work in the active ministry of the priesthood there. He feels that there he will have the moral support of his family.

We take this opportunity to recommend this priest, Father Castro, to Your Eminence, as one who needs psychological help with his problem. We know that, aside from this problem, he is a credit to the priesthood.

We would recommend, therefore, that the present rescript (Prot. N. 411/69 - November 14, 1978) not be withdrawn.

Sincerely yours,

Timothy Cardinal Manning

Dear Archie:

I hope you are enjoying your courses and also a rest from telephone calls.

Father WILLEBALDO CASTRO phoned me from Mexico City today because he is having a problem with his Bishop Adolfo Suarez Rivera, Bishop of Tlalnepantla. Father Castro wants his Bishop to release him so that he may work in the Archdiocese of Mexico City but Bishop Suarez feels he can not do this because the Sacred Congregation for the Doctrine of the Faith only approved his release to the Los Angeles Archdiocese.

I feel it would help a great deal if we received some response from Cardinal Seper to the letter His Eminence wrote him on August 25, 1980. It is Prot. N. 411/69. In it as you may recall, Cardinal Manning acquaints him with a recent incident and mentions that Father Castro would like to return to his diocese of incardination where he would have the moral support of his family. He also recommends that the rescript aforementioned not be withdrawn. I feel that if some determination be made by the Sacred Congregation for the Doctrine of the Faith, this would help Bishop Suarez to feel more secure in releasing Father Castro for work in the Archdiocese of Mexico. I am writing you therefore, in view of your knowledge of this case, to request that you inquire if some decision has been made regarding Father Castro and communicate this to me in order that I might give him more effective assistance.

With a prayerful remembrance, I remain,

Fraternally yours in Christ,

I spoke with Bishop Adolfo Suarez on the telephone regarding the situation of Father Castro. He intends to write a letter to the Sacred Congregation requesting leniency, but feels the case would be easier to present if he can enclose a letter of recommendation from you and from me. I am attaching a copy of the letter I am sending him.

Your Excellency:

At your request, I am writing you in connection with Fr. WILLEBALDO CASTRO and the letter you have received concerning him from the Sacred Congregation for the Doctrine of the Faith.

I have been acquainted with Fr. Willebaldo Castro from 1969 until just recently when he returned to Mexico. Throughout all these years he has faithfully served the Church as a zealous and hardworking priest. His Pastors had words of praise for his labors.

It is unfortunate that he has been guilty of improper actions on two or three occasions since then. But how many priests are there completely guiltless over a period of 10 years?

I firmly believe that the internal torture Fr. Castro has experienced after each one of his unfortunate incidents has reinforced his desire to avoid future occasions and to dedicate himself with even greater zeal to exercise his ministry. Corrective measures, such as seeking psychiatric help and a 30-day retreat would certainly be helpful, but "suspensio a divinis" at this time could crush him to the point of not being able to re-act favorably in a few years time.

In this day when there is such a great need of priests it would be regrettable to have one, with the qualifications of Fr. Castro, be put away on inactive leave. I heartily endorse, therefore, whatever request you might make to the Sacred Congregation asking for a more lenient penalty and that Fr. Castro be allowed to exercise his ministry again in the near future.

Eminentísimo Señor Cardenal:

Saludo a Vuestra Eminencia y le deseo todo bien en el Señor.

El pasado mes de noviembre estuve en Roma y aprovechando mi estancia en esa, fui a la Sagrada Congregación para la Doctrina de la Fe con el objeto de hablar con Mons. REDACTED sobre el caso del P. WILLEBALDO R. CASTRO, Protocolo No. 411/69.

De mi conversación con el citado Monseñor, que es quien tiene a su cargo el caso referido, comprendí que se tiene la impresión de que el Padre en cuestión no se retiró voluntariamente de la Arquidiócesis de Los Angeles, sino que más bien se le ultimó de parte de esa Cancillería a que regresara a México, como indeseable.

Mucho ayudaría, en mi concepto, al arreglo favorable (dentro de lo que se pueda) del caso del Padre Willebaldo, si su Eminencia se dignara enviar una carta aclaratoria a esa Sagrada Congregación para la Doctrina de la Fe.

Por lo que me atrevo a pedírsela, si Vuestra Eminencia lo juzga prudente.

Doy de antemano las gracias a la atencíón que su Eminencia preste a mi humilde petición.

Reitero a Vuestra Eminencia mis sentimientos de afecto y consideración en el Señor.

RE: REV. WILLIBALDO CASTRO
DATE: 29 JANUARY 1981

Your Eminence:

Attached is a copy of a letter, which you sent to the Sacred Congregation, on the departure of Father Willibaldo Castro.

Father Willibaldo initiated on his own, before any conversation with us, his return to Mexico, to be near his family, and receive moral support from them.

We did not dismiss him from this Diocese. We would, however, have had to transfer him from Pomona - perhaps even out of Los Angeles County. But none of this was mentioned to Father Castro, because as said previously, he had already made up his mind to return to Mexico.

You will note that all of this was explained (page 2, top of page) in your letter to Cardinal Seper, August 25, 1980.

Rev. Willibaldo Castro
14 November 1978

Your Eminence:

His Excellency, Adolfo Suarez Rivera, Bishop of Tlalnepantla, has asked that I write to Your Eminence and amplify one point about the departure of Father Willibaldo Castro from this jurisdiction.

As we mentioned in our letter of 25 August 1980, page two, paragraph one, Father Castro, on his own initiative, proposed to our Chancellor that he return to Mexico, in order that he be near his family and receive their moral support.

As mentioned in our letter, an incident did take place in Pomona, but the other party was a male adult.

Again, we take this opportunity to recommend Father Castro to Your Eminence and to Bishop Rivera as one who needs psychological help with his problem. We know that aside from this problem he is a credit to the priesthood.

We would recommend, therefore, that the present rescript (Prot. N. 411/69, 14 November 1978) not be withdrawn, but rather extended.

Sincerely yours,

Timothy Cardinal Manning

Eccellenza Reverendissima,

In relazione alla Sua pregiata Lettera del 21 Ottobre u. s., con cui l’Eccellenza Vostra chiedeva istantemente la riammissione del Sac. Willebaldo Castro, di codesta diocesi, al completo esercizio del sacro ministero, questa S. Congregazione ha benevolmente riesaminato il caso in questione.

In merito mi pregio significare che, tenuto conto delle positive testimonianze riferite a suo tempo dai Superiori di Collevalenza circa le prove di stabile emendamento fornite dall’Oratore, nonché delle autorevoli quanto favorevoli informazioni a Lei date dall’Em.mo Arcivescovo di México, che ne ebbe particolare cura in questi ultimi due anni, questa S. Congregazione, annuendo alla Sua premurosa istanza, ha così decretato: "Pro gratia qua, juxta preces, remittitur prudentiae et conscientiae Ordinarii Tlalnepantlan faculas rehabilitandi Sac. Willebaldum Castro ad omnia munia sacerdotalia obeunda, idque ad triennium, sub peculiari vigilantia ejusdem Episcopi, Termino autem concessio adpropinquante, ne dedignetur Ordinarius de praedicti Sacerdotis vitae ratione ad S. Congregationem pro Doctrina Fidei rite referre".

Nel comunicare all’interessato quanto lo riguarda, non ometta Vostra Eccellenza di paternalmente esortarlo ed ammonirlo perché voglia corrispondere alla benignità della REDACTED con una condotta sempre e dovunque in tutto conforme agli alti impegni che la dignità sacerdotale comporta, affidandolo in pari tempo alla diretta vigilie assistenza di qualche buon Sacerdote maturo e prudente perché l’Oratore non abbia miseramente a ricadere nella sua colpa, nel qual caso - quod Deus avertat! - voglia Ella riferirne prontamente a questo S. Dicastero.

Nel comunicarLe quanto sopra per Sua cognizione e norma, profitto volentieri dell'occasione per conterrarmi con sensi di sincera e distinta stima
Sr. Pbro. D.
WILLEGALDO CASTRO,
PRESENTE,
TLALNEPANTLA, Edo. de México.

Estimado Padre Castro:

Deseo a Ud. todo bien en el Señor!

En mi reciente estancia en la Ciudad de Roma, acudí a la Sda. Congregación de la Doctrina de la Fe, entregando personalmente una solicitud escrita por la que solicitaba su rehabilitación plena al ministerio sacerdotal.

REDACTED , en rescripto N. 411/69, fechado el día 3 de Noviembre de 1983, se dignó dar respuesta positiva, en los siguientes términos:

"Pro gratia qua, juxta preces, remittitur prudentiae et conscientiae Ordinarii Tlalneptlani facultas rehabilitandi Sac. Willeboldum Castro ad omnia munia sacerdotalia obeunt, idque ad triennium sub peculiare vigiliantia ejusdem Episcopi. Termini autem concessioniis adpropinquante, ne designetur Ordinarius de praedicti Sacerdotis vitae ratione ad S. Congregationem pro Doctrina Fidei rite referre".

Como se dará cuenta Ud. la REDACTED ha dejado a la prudencia y conciencia de su Servidor, Ordinario de Tlalneptlana, su rehabilitación plena al ministerio sacerdotal por tres años; transcurridos los cuales se tendrá que acudir de nuevo a la Sda. Congregación de la Doctrina de la Fe.

Por lo tanto, un servidor confiando en la Misericordia del Señor que le ha dado a Ud. el poder enmendar establemente su vida sacerdotal, así como también en el amor que siempre ha Ud. manifestado a su Sacerdocio, concedo gustoso a Ud. Padre Castro, su rehabilitación plena al ministerio sacerdotal, POR TRES AÑOS, "pro gratia", según las disposiciones de la Santa Sede.

Me permito adjuntar a ésta una "copia" del Rescripto arriba mencionado de la REDACTED, para su mejor conocimiento y fines que crea necesarios.

Las recomendaciones que hace la Sda. Congregación, en el último párrafo de su comunicación, se las he hecho a Ud., personalmente, en su reciente entrevista. Con todo, ruego a Ud. reelerlas y meditarlas.

Respecto a otros puntos concretos ya nos pondremos de acuerdo oportunamente. De mi parte, puede Ud. seguir utilizando su permiso que tiene de permanecer en la Arquidiócesis de México, renovando naturalmente esta concesión con la Superioridad de esa Arquidiócesis.

Me uno a su alegría sacerdotal y a su acción de gracias al Señor: "rico en misericordia".

Dios N. S. le guarde en su santo amor! Atentamente,

7 December 1983

TO: MONSIGNOR RAWDEN
FROM: BISHOP ARZUBE +

I wish to bring to your attention the case of Fr. WILLEBALDO CASTRO, who is presently in town and will be leaving for Mexico in a few days.

As you will notice from the attached documents he has received back all his faculties from the Sacred Congregation of the Doctrine of the Faith. After he left this Archdiocese, he went to Rome where he spent a year at a special monastery. All reports are favorable. I am sure we could also receive a favorable letter, if so requested, from his Bishop Adolfo Suarez.

The rescript from the Holy See indicates that Father Castro is to be under the vigilance of his Ordinary for a period of three years, but he has been told that this does not mean that he needs to be physically present in that diocese but may receive permission to work elsewhere.

In view of the fact that during the past two years there have been no adverse incidents reported about his conduct and that he is a much needed bilingual priest, I strongly recommend that he be considered for an assignment in this Archdiocese. Monsignor REDACTED when he found out Father Castro is available, said he would be delighted to have him return to Santa Maria. I will be in my office on this Friday, December 9, and will be happy to appear before the Board regarding this matter if they wish to question me further.
MEMORANDUM

FROM: MONSIGNOR RAWDEN
TO: BISHOP ARZUBE
RE: FATHER WILLEBALDO CASTRO
DATE: 9 DECEMBER 1983

Your Excellency:
In conversation with His Eminence, and in accord with the comments I made to you about this very serious and unfortunate matter, I simply cannot recommend that the Diocese accept Father Castro.
I regret this, because I know that he is an excellent worker, but the liability is simply prohibitive.
As you know I likewise discussed this with REDACTED who was familiar with the case. It was not brought before the Placement Board, because there was no need to defame the individual.
He is a priest from the Diocese of Tlaxiapan,Estado de Mexico. He first worked in this Ad. at San Antonio de Padua in Gardena from Feb. to July, 1956, while Msgr. REDACTED was Pastor. He had come primarily to learn English and left at the request of his Bishop. The next time he came to this country was in 1969. Bishop Juan Arzube was in need of an associate at Our Lady of Guadalupe in El Monte. Father REDACTED was appointed where Father Castro was serving, recommended him to Bishop Arzube. He was officially appointed as assoc. Pastor on 03/04/1969 Bishop Arzube was delighted to have such a priest work with me. He could not understand how a priest of that caliber was working here when he could have been such an asset in Mexico. The sad explanation came to Bishop Arzube as a shock, when one day he came to Bishop Arzube's office and showed him a letter he had received from his Bishop. It seemed that while he was working in his Mexican parish, he was accused of a moral charge at the Chancery Office when the Bishop was out of town. The REDACTED took the statements of the complaining party under oath and proceeded to send them to the Vatican. When his Bishop returned, he called him in and suggested that they let the matter run its course, since it already had been sent to Rome, and that he come to the US to work for a while and that he would probably be given some penance to perform. That is when he came to work at El Monte. Father Castro showed to Bishop Arzube the letter that he had received. The Sacred Congregation for the Faith was to induce him to request a return to the lay state. When Father arrived here, he placed himself under the spiritual guidance of Father REDACTED at San Consado. Father REDACTED wrote to the Sacred Penitentiary for faculties to absolve him. He not only received those faculties, but was told Father Castro could continue "in officio parochii, remoto scandalo." He was accepting the decision as a trial from God. However, he did not wish to present his request for a return to the lay state, but did so in a spirit of obedience. He returned to Mexico and worked in his brothers' business. Bishop Arzube kept in touch with him, and he always manifested his desire to return to his work in the priesthood. When Bishop Arzube was appointed Bishop, he decided to write to the Sacred Congregation for the Faith to ask if anything could be done to reinstate him and that he would try to intercede for his admission into the Ad. of Los Angeles. REDACTED replied that for such a rehabilitation to be considered by them, Bishop Arzube needed to obtain a letter from his former Ordinary stating that he had no objection to this, and one from the Ab. of Los Angeles stating his disposition to receive him into the diocesan clergy. They also recommended that he spend some time in a retreat house. Bishop Cueto, his Ordinary, wrote to Rome recommending a reinstatement "ad experimentum." 05/01/1972 Ab. Manning wrote to REDACTED asking him to grant him permission for Father Castro to be returned to the active priesthood "ad experimentum" and for him to exercise his ministry in this jurisdiction. We would not, however, be willing to consider him for incardination in this Ad. before he has completed five years of active service here. We would then reserve the right to extend beyond five years or to refuse incardination. 07/1972 He was sent to REDACTED for a psychological evaluation. 11/18/1972 he was appointed Redactor. Pastor at St. Alphonsus, 09/04/1975 While Bishop Arzube was in Rome, Msgr. Rawden wrote to inform him that Father Castro had been accused by a sixteen year-old boy of placing his hands beneath the underclothing of the young man. Apparently, there must be some truth in it inasmuch as a priest has
questioned the boy on several different occasions and his story remains the same. Ab. Manning asked Msgr. Rawden to speak to Father Castro about the allegations. 09/02/1975 Msgr. Rawden met with Father Castro at the Chancery. Father Castro did not deny knowing the boy, or being alone with him in the boy's bedroom. He recalled that he was not wearing his "T" shirt or any other covering above the waist. Father feels that the boy misunderstood his paternal manner. Msgr. Rawden asked Father not to visit the boy or the family, and to stop being, to make no explanation to anyone of this incident. Father left for a month's vacation on Sept. 9. He recommended Ab. Manning that if there is no further activity on the part of the boy or his family, that Father be quietly transferred to another parish. If in case another incident or further activity on this incident should arise, that he be asked to leave the Ad. and that the Sacred Congregation be advised accordingly. Msgr. Rawden doubts that on the basis of this incident, as it stands now, we should make an official report to the Sacred Congregation. Msgr. Rawden feels in conscience that there is a reasonable doubt as to the reality of the incident — at least for the degree reported by the boy. 10/26/1975 Bishop Arzube wrote to Card. Manning regarding Father's conduct with the boy. 12/06/1975 Bishop Arzube wrote to Card. Manning to let him know that he had admonished Father to the effect that his behavior in the future should conform at all times in accordance with his sacral ministry. He should carefully avoid anything that might arouse suspicion again the sextum. He also informed him that if we become aware of any future unfortunate involvement, the full rigor of the law would have to be applied. 12/10/1975 Card. Manning wrote to Father REDACTED to inform him that the Bishop had admonished with his Nov. 19 letter. Father had been most grave and sorrowful, and that he will be transferred from his present position immediately. He was transferred to Our Lady of the Assumption in Santa Maria. 12/27/1976 Msgr. Rawden notified Card. Manning that an incident of alleged child molestation has been lodged against Father. Bishop Arzube is aware of this and a previous incident at St. Alphonsus. The police came to the rectory and gave him permission to make a statement to an attorney. Father REDACTED the Pastor, called and asked if it was O.K. to use a local attorney. No arrest was made. Apparently, a complaint has been filed, but to date no warrant has been issued. 12/31/1976 Father REDACTED asked to Msgr. Rawden, and gave him the following information: 1. A lie detector test was given to Father and to the alleged victim — it proved that the boy was lying; 2. Father was exonerated by the police and the family of the boy; 3. The mother is very saddened that Father was humiliated and apologized; 4. The boy apologized to him in the presence of Father REDACTED; 5. Father REDACTED most anxious to keep Father — he claims he is an excellent priest and does tremendous good in the parish; 6. Father REDACTED says that there is no public knowledge of this incident and the family of the boy have promised not to reveal this to anyone. Msgr. Rawden recommended to Card. Manning that we do nothing about this incident. 08/25/1980 Card. Manning wrote to REDACTED to inform him that Father worked at his priesthood in a most dedicated and zealous manner. He has the admiration and respect of his brother priests and the laity. Unfortunately, another incident occurred on July 30, 1980 in the restroom of a large department store (Puesto Hills Mall.) The Person approached by Father is a male security guard, employed by the department store. The security guard immediately arrested him and turned him over to the local police. He was scheduled to appear in criminal court on Aug. 15 for a hearing. He is represented by a good Catholic lawyer. The local police sergeant is sympathetic to Father, and wishes to have the charges dropped. The conditions for dismissing the charges are that his Ecclesiastical Superiors arrange for some psychological help and that he be transferred from that immediate vicinity (Sacred Heart, Pomona.) Father Castro, in an interview with REDACTED, does not deny the charges (disorderly conduct.) He feels that he should return to his Diocese of Incardination, and continue his work in the active ministry of the priesthood there. He feels that there he will have the moral support of his family. We take this opportunity to recommend him to Your Eminence as one who needs psychological help with his problem. We know that, aside from this problem, he is a credit to the priesthood. We would recommend that, therefore, that the present request not be withdrawn 09/30/1990 Left Archdiocese. 11/03/1983 Excerpt from Bishop Arzube's memo to Monsignor Rawden: Father had received back all his faculties from the Sacred Congregation of the Doctrine of the Faith. After he left the Ad., he went to Rome where he spent a year at a special monastery. All reports are favorable. The rescript from the Holy See indicates that he is to be under the vigilance of his Ordinary for a period of three years, but he has been told that this does not mean that he needs to be physically present in that Diocese, but may receive permission to work elsewhere. comments I made to you about this very serious and unfortunate matter, I simply
cannot recommend that the Ad. accept Father. The liability is simply prohibitive.
